

January 2024

Statement of Persistent Organic Pollutants

We would like to inform you that Turck acts in accordance with the legal requirements when handling hazardous substances. The products of the company Turck are not critical in the handling and for the environment, therefore no safety data sheets are provided.

Turck is not affected regarding POPs. Obsolete equipment can be disposed of as industrial waste. Equipment returned to us will be destroyed by a certified disposal company when applicable.

In case of questions, please do not hesitate to contact us.

This document is a statement of compliance to Regulations (EU) No 2019/1021, (EU) 2021/277 and Annex I and II - 30 Entries (Aug-2020) on persistent organic pollutants. The following items are compliant.

Sincerely,

Paul Harms | Senior Compliance Engineer | QA
