Subject: Restrictions on Imports of Iron and Steel Products from Russia

To whom it may concern:

Turck Inc. hereby declares that no iron or steel of Russian origin was used in the manufacture of the products supplied to our customers as required by Article 3g (1) of Regulation (EU) No 833/2014. This is applicable to the HS chapters 7206-7229 and 73** as listed in the EU regulation stated.

This declaration is valid until revoked.

Paul Harms
Senior Compliance Engineer
