

A technical drawing of a cable assembly. The cable is shown horizontally, with a dimension line above it indicating a length of 0.3 METERS. The cable has a central section with a dashed line, suggesting it is flexible or coiled. At each end of the cable is a connector. The connector on the left is a rectangular block with a central square opening and two smaller rectangular openings on either side. The connector on the right is a similar rectangular block with a central square opening and two smaller rectangular openings on either side. The cable is shown with a central section and two outer sections, suggesting it is a multi-part assembly.
