

Wall/panel feed-through

BIC-44-E424

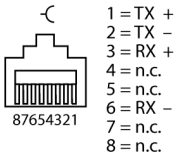

- For Industrial Ethernet
- RJ45 on M12 × 1, 4-port
- 4-pin
- Voltage: 125 V
- Ampacity: 1.5 A
- Temperature: -30 °C...+75 °C
- D-coding
- Protection class: IP20/67

M12 × 1

RJ45

Type	BIC-44-E424
ID	U3-00003
Housing	Plastic, PA, Black
Connector A	Female, M12 × 1, Straight
Number of contacts	4
Contact carriers	Plastic, PA 12 GF, Black
Mounting orientation	Front mount
Mechanical life	> 100 Mating cycles
Pollution degree	3
Protection class (When coupled)	IP67, (plugged)
Connector B	Female, RJ45
Number of contacts	8
Protection class (When coupled)	IP20
Fieldbus	Ethernet
Rated voltage	125VV
Current	1.5AA
Mechanical and chemical properties	
Ambient temperature range (static)	-40°C...+80°C
